ABOUT TECHNO INDIA GROUP

TIG has reached new milestone with excellence in Technology, Education and Placement of its 5 Lakh students in many reputed MNCs over the years. During its voyage, Techno India Group has strengthened its original emphasis on Science and Engineering and expanded into Management, Medicine, and other key areas including Information and Communication Technology, Biotechnology, Food Technology, Bio-medical Engineering, Paramedical Sciences, Management Sciences, Media Science to name a few. The vast contribution of the Techno India CSR wing has been remarkable through Techno India Foundation Trust (TIFT).

TIG Department of International Relations Techno India Group has spread its wings to collaborate with renowned universities of France, Poland, Italy, Australia, Taiwan and is also in the process of building relationships with the universities across the globe. Techno Canada (www.tccoe.com) is also a new initiative of the group that has brought accolades.
